

PUTTING a SMILE on team & portrait photography

The Local Legends Experience – info sheet

The Local Legends experience

LOCAL LEGENDS are dedicated to bringing you the best team and action images available while supporting sporting clubs. Team photos are not just for the individual participants, they are also an essential part of a club's history and culture. At LOCAL LEGENDS we take pride in using professional photographers and graphic designers to deliver products that will stand the test of time.

If your team or league are looking to make a change in their photography provider or if you're a new club looking for great pictures, we can meet your mark. We believe the quality of our work speaks for itself and we are happy to support your club or league without the lock in contracts insisted upon by other suppliers. We also supply each club with a free Club Teams Poster print with every team club shoot. This guide is designed to give you an overall view of the process.

Pre Photo Day

- Distribute order forms by handout or email
- Pre photo day local legends will custom design you clubs photo background so it's approved and ready to go when your team photos are taken.
- Obtain accurate digital teams lists from the club
- Determine the shooting schedule. Allow a minimum of 20 minutes per team, preferably 30 minutes This allows for stragglers and minimises wait time for parents.

Photo Day

- Team Manager/Coach to collect all order envelopes from players and place in the A4 envelope supplied. Please ensure Team Manager/Coach contact details and Team Name are recored on the envelope, then hand the envelope to a Local Legends Administration Staff. Late Orders and Payments can be taken on the day by our friendly Local Legends Administration Staff Member.
- Teams are shot portraits first to allow for any stragglers. In preparation for team shots please line the team up in order, tallest to shortest.

After shoot

Local Legends will quickly be back to you with photos for naming. If you have supplied accurate digital team lists with player numbers - we will provisionally name the teams for you and return for approval/alterations. Otherwise digital team shots will be sent to you for naming.

Once your teams naming is corrected and returned to Local Legends we will combine your team photo, player names and approved custom background to provide final proofs back for sign-off.

Once all teams are approved its off to the photo lab. Prints will be produced sorted and delivered back to the club for distribution.

This process can take as little as two weeks but due to the number of people involved in naming and proofing at the club can often take 4-5 weeks.

Order queries

To make things easier local legends has developed an on-line support ticket system. By creating an on-line membership on our website parents can lodge support tickets directly thus minimising queries to club officials. We will include this information for parents when packing orders.

Local Legends scan all orders for future reference so they can be verified at any stage or called up to confirm an order. We also suggest to avoid confusion parents take a phone photo of their order forms before submitting. This negates the necessity for parents to remember what they ordered.

Products.

Local Legends while supplying standard products of Portraits, Team Photos and Player Team Combo prints can also supply and develop special products such as awards, memorabilia and coaches gifts. Being a graphic design based service your options are unlimited.

Notes

- Prompt delivery is reliant on the prompt supply and approval of player names
- Supply of accurate team names is vital ie. U14A White.

Fundraising

We are continually impressed to see the positive effects our local sporting clubs have on the community. Communities that participate in sport and recreation develop strong social bonds, are safer places and the people who live in them are generally healthier and happier. All this is driven by volunteers so it's the least we can do to support your club in the work they do. Local Legends can support fundraising by club nominated tariffs on players orders and contributing to club fundraising events. Ask us how we can work with your club.
